### Bern Café Advisory Group Update:

In March, 2015, members of the Bern Community raised funds to purchase the Bern Café building, renovate the building, repair the equipment, and provide funds to provide insurance, taxes, and utilities until we could find an operator for the Cafe. The Bern Café building was purchased by the Bern Community Support Foundation in June, 2015. We entered into an operating lease with Richard and Shawna Dietrich effective December 1, 2015, and they have been operating the Café since that time. We discovered much of the equipment needed to be upgraded. In addition, this vintage building is in need of plumbing repairs and a new roof.

**Thank you to the Bern volunteers, businesses, and surrounding communities for supporting the Bern Café!**
